

CORPORATE PROFILE

A FIRM FOCUSED ON ACHIEVING YOUR GOALS

Arazoza & Company, P.A. has served the South Florida Marketplace for over 40 years, establishing a recognized and indelible reputation as one of South Florida's most sought-out and successful accounting businesses.

Located in Coral Gables, this firm of Certified Public Accountants provides guidance, consultation and invaluable accounting services to individuals, local and international companies.

Our team of professionals provides a diverse range of proactive and advisory services in taxation, accounting, and various other financial matters.

At Arazoza & Company, P.A., we understand that financial situations are unique to each individual and company, which is why we are proud to offer individualized services and planning.

Each client receives the personalized involvement of a team of experienced professionals. Engagements are carefully planned and reviewed to ensure that they proceed in a timely and professional manner.

HISTORY

OUR PROVEN TRACK
RECORD SPEAKS
VOLUMES

Carlos F. Arazoza

The firm was founded in Miami FL in 1971 by Carlos Arazoza Sr., one of the first Cuban-born Certified Public Accountants in the United States. Mr. Arazoza has always been the firm's leader, his vision and dedication to excellence has guided the company steadily forward.

Over the decades, we have evolved and grown in size and expertise to perfectly serve the needs of our clients and community.

Many of our original partners and associates still remain as dedicated components of the company to this day, making us one of the most stable businesses in the South Florida Marketplace.

Today, **Carlos F. Arazoza** has continued the family legacy, leading the firm for more than 25 years.

We are proud to have a staff of professionals drawing on many years of education and experience, which have added to the enrichment of the services we provide.

While we are firmly grounded in the past, we are forward-looking and on top of new developments and technologies to better serve past and potential clients. As we like to say, "Over 40 years young."

MISSION

RESOLVING, ACHIEVING
AND ADVANCING

Our mission is simple - to provide the highest quality accounting and tax services that stimulate the financial growth and prosperity of our clients.

We are wholly dedicated to contributing practical and cost-effective solutions, planning and strategies to guarantee the advancement of your business.

We create a relationship of mutual trust, in a pleasant working environment. Each of our partners commits their unparalleled expertise for the financial benefit of our clients.

Our incomparable devotion to the client guarantees a personalized approach to serving each client with specialized attention, giving all existing information on their potential tax solutions in the United States.

OUR WORK IS
PERFORMED UNDER THE
HIGHEST STANDARDS
OF ETHICS AND
CONFIDENTIALITY

WE ARE RECOGNIZED
AS A CREATIVE AND
ENTREPRENEURIAL FIRM

VISION

In this ever-changing world of business finances, our firm strives to provide a client-centric experience providing a masterful level of consultation and a myriad of services for our diverse client base.

Our vision is to continue our successful advancement as an organization that increases the growth of our clients. We seek to achieve an escalation in joint development between our company and those we represent. We assist our clients in their goal of opening new paths in the United States.

Arazoza & Company, P.A. will always keep a watchful attitude on the security and knowledge our clients' needs. We take into account market volatility, changes in regulations, and conflicts due to any differences in tax laws between countries.

WE RECOGNIZE THAT NOT ALL CLIENTS ARE THE SAME, SO RATHER THAN A COOKIE CUTTER APPROACH TO A CLIENT'S NEEDS; WE LISTEN AND THEN SERVE ACCORDINGLY.

OUR CLIENT PROFILES

AT ARAZOZA & COMPANY, WE TAKE PRIDE IN AFFORDING OUR CLIENTS WITH THE DISTINCT ADVANTAGE OF OUR EXPERTISE AND STRATEGIES SPECIFIC TO THEIR FIELD OF BUSINESS.

Because of our customized services, unique to each client, we are able to work with a diverse range of individuals and businesses.

Our extensive experience allows us to penetrate the disparate intricacies of a variegated clientele. Some of these fields of specialty include, but are not limited to, the following:

OUR CLIENT PROFILES

Healthcare

By implementing methodological and effective business tactics, Arazoza & Company has mastered the science of healthcare accounting. Carefully executing business strategies under strict confidentiality, our specialized accountants and service team competently manages data analysis, claim processing, financial statements, mergers and acquisitions, utilization review and quality assurance, accurate budget estimations, balance sheets and bookkeeping.

Not-for-Profit

Unlike for-profit business, not-for-profit organizations addresses the needs of society and strives to better our communities. Our mission is to present concepts unique to nonprofit accounting and reporting, including financial statements required by the Financial Accounting Standards Board. Nonprofits are faced with multiple financial statements and procedures. Our experienced accountants will apply their expertise and strategies to guarantee approval for tax exemption status and compliance of all required financial statements.

Real Estate

The Real Estate market is currently exhibiting highly promising signs of revival and growth. The accounting experts at Arazoza & Company fully serves the needs of a spectrum of components in the industry including developers, owners, lenders, property managers, real estate agencies, and state and federal agencies. In this fast-paced field, our team of experts proves invaluable in producing timely and accurate information in this rapidly changing market. Furthermore, our knowledgeable experts are dedicated to resolving any issues and providing assistance with transaction planning, tax minimization strategies, equity structuring and business and estate planning.

Banking, Finance & Insurance

An assorted team of experts here at Arazoza & Company are especially trained, experienced, focused, knowledgeable and up-to-date with specialized business strategies and unique approaches to maximizing growth and profit for insurance and financial institutions. Our team takes an effective and proactive approach to the complicated intricacies and differing regulations faced by insurance companies.

Retail Trade

It is imperative that retailers meticulously keep an accurate record of accounts payable to vendors, employees and tax agencies. Our proficient and highly experienced professionals assist in the cumbersome, though crucial, tasks of invoicing, billing, bookkeeping, expense and sale tracking, and an array of other necessary accounting services.

Construction

As the real estate and development market continues to rebound and steadily increase, a meticulous and exemplary level of accounting for construction businesses is now more crucial than ever. Whether you are a private handyman, the owner of a small contractor company, or a large construction business, Arazoza's expert accountants will help maximize your profit potential through superlative accounting services and advice. We provide personalized consultations and accounting services with extensive knowledge of the necessary facets of your business including job costing, tax compliance, project management, information technology, regulations and business succession planning.

Manufacturing & Wholesale

Planning and managing a manufacturing or wholesale business requires constant and careful regulating and balancing. Our experienced team is ready to enhance your business and rectify the unique issues facing distributors today. Our accountants fully engage and familiarize themselves with the core operations of your business and keep you up-to-date on recent trends in the industry while presenting personalized compensation strategies.

Telecommunications

Budget and bookkeeping inaccuracies often cost telecommunication companies innumerable monetary losses. Our expert accountants will save you time with proactive business strategies, record keeping and assurance of government compliance. Our team is well versed with the particular taxes and regulations presented to telecommunication companies, including the telecommunications business tax. Arazoza & Company provides accounting; auditing and tax services specialized for telecommunication companies to bring significant advantages to your growing business.

Professional Services

Arazoza & Company's expert teams of accountants have also perfected specialized accounting services for various other professional services including: Education, Research & Development, Architectural and Design Firms, and Automotive Service & Repair businesses. Accurate and conscientious accounting is the key to a flourishing and profitable business. Our fastidious attention to detail, customized business strategies and personal relationship with our clients guarantees a competitive advantage and solidified path to a prosperous future for you and your business.

OUR EXPERT TESTIMONY AND PROMISE TO YOU

There are many pertinent factors to take into consideration when selecting a financial service provider. At Arazoza & Company, P.A., we are confident in our abilities and services, and committed to the highest degree of excellence in regards to our clients. Our proven track record of success truly speaks for itself, earning us the respect of our community and competitors.

The pillar of our success has largely been contributed to our meticulous care and

consideration for each and every individual need of the client. Upon selecting Arazoza & Company, P.A. to safeguard your finances, you will be copiously assured that our expert professionals will always be available and dedicated to your needs.

We have proudly secured and enriched the finances of countless individuals and businesses, and look forward to ensuring the achievement of your own financial goals.
